

PROJECT BANK - GRANDPA

DUE Tuesday, April 14th by 12PM EST

Character Description: Iqbal Theba, Anupam Kher, Gerry Bednob type — an expressive storyteller with natural authority and pride. He delivers everything with total conviction; the humor comes from how seriously he takes himself, not from playing for laughs.

English speaking but with a South Asian accent.

INTRODUCE YOURSELF: First name, last name. City.

SCENE 1

You're teaching your grand-son how to play chess. He complains about how hard it is.

Grandpa: This is hard?! When we first came to Canada things were a lot harder than this!

You see your family roll their eyes. They tell you that they've already heard this story before. You become even more determined!

Grandpa: No bank account. No credit card. And couldn't invest. The number of places we had to go for this!

SCENE 2

Improv this scene.

Talk about your life when you first moved to Canada. Tell us a story. Remember: your character is a passionate storyteller whose humour lies in your expressive features and strong presence!
