THE SELF TAPE:

Improv in the following scene as though you are doing a hair tutorial for your social media:

You're a hair stylist and you're doing a 'get ready with me' video for your social media. You're a confident, well-reputable stylist! Tell us about the products and techniques you love to use on your hair.

You wrap your video by showing us your final look. Tell us how fabulous you feel!

*Deliver your reactions naturally. **Avoid scripted and 'infomercial-y' reactions.***
