

PROJECT X

The Tall, Gangly Guy

Description: Tall, skinny, long hair, awkward and slightly uncoordinated. Gangly physicality — trips over nothing but blames gravity. Limbs slightly delayed from brain. Earnest. Passionate. Slightly delusional. He takes himself very seriously—which makes everything funnier.

Strong physical comedy is essential.

Wardrobe: Jeans and a t- shirt.

Slate: First name, last name. City. Height.

Remember this video will be aired in a stadium that seats 50,000+ people. Your reactions cannot be small.
