

PROJECT FURNITURE STORE

MRS. CLAUS

Submit via Eco Cast Invitation Link

Scene Descriptions: Mrs. Claus greets Santa on Christmas morning with hot chocolate and reacts to his confusion as he discovers the North Pole home makeover. You and Santa struggle to get comfortable in the old bed before transitioning to a new, more comfortable mattress.

Character Notes: Warm, grounded and charming. Natural, understated comedy. Strong reaction work and believable chemistry with Santa.

Note: *You don't have to purchase a costume for this self tape. If you have red or green to wear, we encourage you to wear them, if you don't have either, that's ok too!*

SLATE: First and last name. City.

SCENE 1

You hold a hot cup of hot chocolate as you greet Santa. He just woke up from a restful sleep on the new recliner. He wakes up groggy and confused at the new North Pole home makeover.

You look around, proud of the work and return your gaze to Santa. You playfully wag your finger to him.

SCENE 2

It's been a long day. You and Santa crawl into bed and struggle to get comfortable. You show physical discomfort. The mattress you're laying on is hard and stiff.

You and Santa switch to a new mattress. It's a softer and adjustable one. You get into bed with ease this time. You show pleasant bliss with this new comfort.
